

ANNUAL REPORT 2016

CEO Report:

We are very grateful for the Lord's leading and for you.

In 2016, we met our budget requirements and continued to grow in donor numbers. This means, because of you and the Lord's blessings we are now assisting about 4,000 children throughout Bangladesh, India, Myanmar, Nepal and Sri Lanka.

We entered Myanmar (or Burma for those who have old maps and globes) in 2016. We established this sponsorship program with just over 600 children in 11 Adventist mission schools. There is a huge need in this country and we look forward to the growth of our program there.

Operation Child Rescue continues to grow with the rescue of children, many who are involved in sex trafficking. This program also rescues children from slums where orphans beg on the street to survive and abandoned babies die. Your support changes everything—we are very excited to assist the running costs of a rescue home for trafficked girls in Bangalore India impacting their lives at a critical stage after rescue. Orphans and abandoned babies receive love and have all their other needs secured. In the future, we intend to grow this brand into a wider Christian audience.

In India, we have established a strong office and management team to supervise our sponsorship program and project management. You might say, "They are our eyes, ears and hands in the field." They make sure our children are safe and secure.

We are a unique ministry in that we give most of our sponsorship to needy Adventist mission schools. Sponsorship of a child gives them an education in a mission school but also impacts their family, community and is valuable funding to the mission school.

I am very grateful for you and the work of my staff and board.

I am also thankful for the field workers who implement our program.

I feel privileged to be your representative as I meet the children and see the work you allow us to perform. I assure you, you are making a difference in the lives of these special children. Without your support and God's blessings, we could do nothing.

Thanking you

Independent Auditor's Report

To the Board of Directors
Asian Aid USA, LTD
Collegedale, Tennessee

I have audited the accompanying financial statements of Asian Aid USA, LTD (a nonprofit organization), which comprise the statement of financial position of as of December 31, 2016, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and the maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Auditors' Report: continued

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Asian Aid USA, LTD as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.
